

Privacy Policy

Last updated: June 2021

We do not collect any information about you, except for the necessary data about the operation of the application and for making purchases.

We only share your data with our third party service providers that we use to provide you with access to the app and store data. These providers include cloud storage providers and other IT service providers.

We use third-party analytics tools to identify trends in app usage. We will use this information to collect and evaluate your actions and behavior in the process of using the application in order to improve the quality of the services provided.
